Passionate Computer Science student with hands-on experience in full-stack web development. Eager to leverage programming skills and problem-solving abilities to create efficient, scalable solutions to real-world challenges

## Education

- **B.Tech in Computer Science and Engineering**
  Siliguri Institute of Technology
  CGPA: 8.48
  2022 – Present
- **Higher Secondary (CBSE)**
  SHMD School (2022)
  Percentage: 89.2%
- **Secondary School (CBSE)**
  SHMD School (2020)
  Percentage: 84.1%

## Soft Skills

- Analytical thinking & problem-solving
- Punctual and detail-oriented
- Strong communication skills
- Adaptable and collaborative

## Interests

- Exploring new technologies and innovations
- Building scalable software solutions
- Collaborating on open-source and tech-driven projects
- Continuously improving programming and development skills

## Technical Skills

- **Languages:** C++, C, Python, Java
- **Web Development:** HTML, CSS, JavaScript, React.js, Node.js, Express.js
- **Databases:** MongoDB, MySQL
- **Tools & Platforms:** GitHub, VS Code, Jira
- **Software:** MS Excel, MS Word, MS PowerPoint
- **Other:** Tally

## Projects

### Full-Stack E-Commerce Website
- Led a team of 4 during MERN stack training to develop a responsive e-commerce platform.
- Implemented product listings, user authentication, cart management, and payment integration.

### Event Management Website
- Developed a MERN stack platform enabling users to create, edit, and manage events.
- Integrated CRUD operations with a user-friendly interface.

### Blog Website
- Built a blog website with MERN stack architecture allowing users to post and view blogs.

### Netflix, Amazon, Zomato Clones & Hospital Website
- Designed and developed responsive front-end clones of popular platforms using HTML, CSS, and JavaScript.

### Library Management System
- Developed a Java-based system emphasizing object-oriented programming principles.
